

# Hard to beat security and price.

The HS80QR combines high theft merchandise security and superior value to deliver an optimal high theft solution. HS80QR features a hardened steel design, ensuring tough resistance to defeat. Nightly removal is simple, as the stand

can be quickly released from the base using the OneKEY™. Integrated into the design are fully adjustable brackets allowing the same stand to secure a smartphone or a tablet, saving you time and money during remerchandising.

## FEATURES AND BENEFITS

- 1 Interchangeable and adjustable brackets allow one stand to be used with any smartphone or a tablet
- 2 Steel base provides a sturdy anchor to the table
- 3 Nightly removal is simple, as stand can be quickly released from base using the OneKEY
- 4 Uses OEM charging cord, reducing solution cost
  - › The base's head allows customer to rotate device to portrait or landscape orientation
  - › Optional alarming Zips 2.0 mini sensor provides added security

A storewide single key solution to increase profits.
